Section 11-6. Prohibition.

The location or presence of any junked, inoperable or unlicensed vehicle, junked equipment, or derelict property, on any lot, tract, parcel of land or portion thereof, occupied or unoccupied, improved or unimproved, residential or commercial, within the City of Laurel shall be deemed a public nuisance and it shall be unlawful for any person or persons to cause or maintain such public nuisance by wrecking, dismantling, rendering inoperable, abandoning or discarding his or their vehicle or vehicles or junked equipment or derelict property on the real property of another or to suffer, permit or allow the same to be placed, located, maintained or exist upon his or their own real property for a period of ten (10) days. Conditions under which an exception to the “prohibition may be made” are as follows:

- A. one (1) or more vehicles or parts thereof or derelict property may be kept in a completely enclosed building in a lawful manner where it is not visible from street or other private or public property. This enclosure does not include yards or areas encompassed by a site-obscuring fence which are located in residential zoning districts;
- B. vehicles or part thereof, equipment, or derelict property may be stored or parked in a lawful manner on private property where said property has a direct correlation with the licensed business operation at that location. Example: A

licensed auto repair shop located on commercial property may possess on their commercial property inoperable vehicles, parts or equipment connected with auto repair but the City may require that the business screen long term vehicles and derelict property from public view;

- C. only one (1) unlicensed or inoperable vehicle per residence may be kept under one of the following conditions:

Condition 1: a vehicle may be covered by an approved commercial (fitted) car tarp and placed under a garage or carport. Tarps must be maintained free of mold and in good condition. Tires must remain inflated and under no circumstances shall the vehicle be placed on blocks or jacks of any kind.

Condition 2: a vehicle may be covered by an approved commercial (fitted) car tarp and parked on an all-weathered surface in the rear yard only. Tarps must be maintained free of mold and in good condition in colors of gray, brown or white only. All tires must remain inflated and under no circumstances shall vehicles be placed on blocks or jacks of any kind.

- A. a vehicle or part thereof which is temporarily used as a retail storage unit and is primarily used for retail transport purposes; however, such unit shall not remain on the property for a period longer than thirty (30) consecutive days.
- B. Mechanic work shall not be operated in a designated residential zone as a permitted use. These classified residential districts are R-1, Low Density Residential District; R-2, Medium Residential District; R-3, High Density Residential District-Restricted; and R-4, High Density Residential. Property owners may continue to complete simple automotive tasks on their own vehicles, such as change a tire, change a spark plug, etc., but may not do “major” automotive repairs in these zoning districts.

Section 11-8. Abatement or Removal Order and Service.

The owner or tenant, in possession of private property upon which a violation exists, shall remove or abate it within fifteen (15) days from posting the notice of the infraction. Such notice shall be affixed to the vehicle, derelict equipment or residence of abode or given to the individual residing or occupying the residence and/or business.

Such notice shall contain the following information:

- A. Nature of complaint and findings;
- B. Description and location of the vehicle, machinery, or equipment or parts and/or derelict property;

- C. Time limits and dates of notice and removal restrictions; and
- D. Statement of penalties for noncompliance.

No person, after notification to remove any vehicle, machinery or equipment or parts thereof, or derelict property from any private property, which has been given pursuant to this Article, shall remove the same to any other private property upon which such storage is not permitted or onto any public highway, street, avenue, alley or other public property for purpose of storage or abandonment.

No person shall seek to prevent the removal of offending articles whose removal dates have expired by blocking access to the offending article, be it a vehicle, derelict equipment or part. Any vehicle, equipment or other item used to block access, purposely or inadvertently, will be subject to immediate removal without notice to the owner.

Section 11-9. Disposal of Junked Vehicles and/or Equipment.

- A. If such public nuisance is not abated by said owner or occupant after notice is given in accordance with this Ordinance, official action shall be taken by the City of laurel to abate such nuisance. Junked vehicles or parts thereof, shall be towed and impounded until lawfully claimed or disposed of in accordance with Sections 63-23-1 through 63-23-11, Mississippi Code Annotated 1972.

Disposition of lost, stolen, abandoned or misplaced personal property under this Article which remains in the City's possession and includes used machinery and equipment will be disposed of in accordance with Section 21-39-21, Mississippi Code Annotated, 1972. Owner or occupant of the junked vehicles or parts thereof, or other used machinery or equipment, also becomes subject to the penalties outlined in Section 11-13 of this Ordinance.

- B. Vehicles so towed and impounded shall be held for ninety (90) days and thereafter shall be disposed of with all rights of ownership being forfeited. Anytime prior to the expiration of said ninety (90) days, the record title holder shall be allowed to redeem said vehicle and/or equipment upon the payment of all costs including towing, storage and other such administrative costs as may be determined.

ARTICLE II. RESERVED

Sections 11-21 --- 11-50. Reserved.

ARTICLE III. RODENT CONTROL*

DIVISION 1. GENERALLY

Section 11-51. Definitions.

For the purpose of this article the following definitions shall apply:

Business building: Any structure, whether public or private, that is adapted for occupancy for transaction of business, for rendering of professional service, for amusement, for the display, sale or storage of goods, wares or merchandise or for the performance of work or labor, including hotels, rooming houses, office buildings, public buildings, stores, theaters, markets, restaurants, grain elevators, abattoirs, warehouses, workshops, factories and all outhouses, sheds, barns and other structures on premises used for business purposes.

Occupant: The individual, partnership or corporation that has the use of or occupies any business building or a part or fraction thereof, whether as the actual owner or as a tenant. In the case of vacant business buildings or any vacant portion of a business building the owner, agent or other person having custody of the building shall have the responsibilities of an occupant of a building.

Owner: The actual owner of the business building, whether individual, partnership or corporation, or the agent of the building or other person having custody of the building or to whom rent is paid. In the case of business buildings leased with a clause in the lease specifying that the lessee is responsible for maintenance and repair, the lessee will be considered in such cases as the owner for the purposes of this article.

Rat-harborage: Any condition which provides shelter or protection for rats, thus favoring their multiplication and continued existence in, under or outside of a structure of any kind.

Rat-stoppage or rat-proofing: A relatively inexpensive form of rat-proofing with material impervious to rat gnawing to prevent the ingress of rats into business buildings from the exterior or from one business building to another.

Section 11-53. Disposal of Waste.

- (a) Within the City Limits all garbage or refuse consisting of waste, animal or vegetable matter upon which rats may feed, and all small dead animals, shall be placed and stored until collected by the Department of Sanitation in covered containers of a type prescribed by the health officer according to existing conditions; and it is hereby declared unlawful for any person to dump or place on any premises, land or waterway any dead animals, or any waste vegetable or animal matter of any kind.
- (b) It shall be unlawful for any person to place, leave, dump or permit to accumulate any garbage, rubbish or trash in any building or premises in the City so that same shall or may afford food or harborage for rats.
- (c) It shall be unlawful for any person to permit to accumulate on any premises, improved or vacant, and on all open lots and alleys in the City any lumber, boxes, barrels, bricks, stones or similar materials that may be permitted to remain thereon unless same shall be placed in open racks that are elevated not less than eighteen (18) inches above the ground, and evenly piled or stacked so that these materials will not afford harborage for rats.

Cross Reference --- Licenses and business regulations, Ch. 12

Section 11-62. Rat-proofing---Required.

It is hereby required that all business buildings in the City shall be rat-proofed, freed of rats and maintained in a rat-proof and rat-free condition under the direction and supervision of the health officer.

Source: Code 1969, § 19-62

Section 11-63. Same---Notice to Owner.

Upon receipt of written notice and/or order from the health officer the owner of any business building specified therein shall take immediate measures for rat-proofing and/or rat-freeing the building. Unless said work and improvements have been completed by the owner in

the time specified in the written notice, in no event to be less than fifteen (15) days or within the time to which a written extension may have been granted by the health officer, then the owner shall be deemed guilty of an offense under the provisions of this article.

Source: Code 1969, § 19-63

Section 11-64. Same---Work Done by City.

Whenever the health officer notifies the occupant or occupants of a business building that there is evidence of rat infestation of the building, each occupant shall immediately institute appropriate measures for freeing the premises occupied of all rats. Unless suitable measures for freeing the building of rats are instituted within ten (10) days after receipt of notice and unless continuously maintained in a satisfactory manner until the building is free of rats the health officer is hereby authorized and directed to free the building of rats and to levy a monthly charge against the occupant or occupants to cover the costs for labor, materials and equipment necessary for eradication measures carried out each month.

Source: Code 1969, § 19-64

Section 11-65. Same---Removal.

It shall be unlawful for any occupant, owner, contractor, public utility company, plumber or any other person to remove rat-proofing from any business building for any purpose and fail to restore the same in a satisfactory condition or to make any new openings that are not closed or sealed against the entrances of rats.

Source: Code 1969, § 19-68

Section 11-66. Maintenance; Repairs.

The occupants of all rat-proofed business buildings are required to maintain the premises in a rat-proof condition and to repair all breaks or leaks that may occur in the rat-proofing.

Section 11-84. Methods of Treatment.

The methods of treatment of any collection of water directed toward the prevention of breeding mosquitoes shall be approved by the health officer, and may be one (1) of the following:

- (1) Screening with wire netting of at least sixteen (16) mesh to the inch each way, or with any other material which will effectively prevent the ingress or egress of mosquitoes.

CODE

- (2) Complete emptying every seven (7) days of unscreened containers together with their thorough drying and cleaning.
- (3) Using a larvacide approved and applied under the direction of the health officer.
- (4) Covering completely the surface of the water with kerosene, petroleum or paraffin oil once every seven (7) days.
- (5) Cleaning and keeping sufficiently free of vegetable growth and other obstructions, and stocking with mosquito-destroying fish.
- (6) Filling or draining to the satisfaction of the health officer or his agent or accredited representative.
- (7) Proper disposal, by removal or destruction, of tin cans, boxes, broken or empty bottles and similar articles likely to hold water.

Source: Code 1969, § 19-47

Section 11-85. Correction of Violations by Health Officer.

Should the person responsible for conditions giving rise to the breeding of mosquitoes fail or refuse to take necessary steps to prevent the same within three (3) days after due notice has been given him, the health officer or his agent is hereby authorized to do so, and all necessary costs incurred by him for this purpose shall be charged against the property owner or other person offending.
