

How to Purchase Tickets and Tables Online

Follow the steps below to purchase individual tickets or a table for the Laurel Sports Hall of Fame Banquet:

1. Visit the City of Laurel homepage and select the Sports Hall of Fame Banquet link at the top of the page.
2. Select "Click Here to Purchase Tickets." You will be directed to the online credit card payment portal.
3. On the left side of the payment screen, you will see two purchase options:
 - Individual Tickets
 - Tables — each table seats eight (8) guests
4. Enter the quantity you wish to purchase for either Individual Tickets or Tables.
5. Important: You must remove the purchase option you do not want. From the quantity drop-down menu for that option, select "Remove," then "Confirm Remove." This ensures that you are charged only for your intended selection.
6. Complete all required Shipping Information fields on the right side of the screen.
7. Select your payment type and enter the required payment information.
8. Review your information and select "Pay" to complete your purchase.

Purchase Confirmation:

After completing your transaction, you should receive a payment confirmation from Stripe. Please retain your confirmation and bring it with you to the banquet as proof of purchase.

Table Purchasers:

If you purchase a table, please send the names of all guests who will be seated at your table to recreation@laurelms.com so they can be added to the banquet guest list.
